2. THE CONTRACT

- 2.1. Signature by You of the Quote constitutes an offer to hire the Equipment and accept provision of the Services, on these Conditions. The Quote forms part of the Conditions for all purposes.
- 2.2. Only these Conditions apply to the Contract, and they shall override any other terms, conditions or warranties You may seek to impose. Acceptance of the Equipment and the provision of the Services by You, or on Your behalf, shall be conclusive evidence that these Conditions are accepted by You, and apply to the Contract. These Conditions supersede any previous terms and conditions which may have regulated dealings between Us and You.
- 2.3. No Contract shall have been formed until the offer constituted by Condition 2.1 has been accepted by Us.
- 2.4. No amendment or variation to the Contract is valid unless agreed to in Writing by Us.
- 2.5. Any advice or recommendation given by Us or Our Staff or agents to You or Your agents as to the Equipment which is not confirmed in Writing by Us is followed or acted on entirely at Your own risk, and accordingly, We shall not be liable for any such advice or recommendation which is not so confirmed. You confirm to Us that You have not relied on, nor been induced to enter into the Contract by, any representation, promise or other statement not recorded in the Conditions.
- 2.6. We reserve the right to make any changes in the specification of the Equipment which do not materially affect the quality or performance of the Equipment.
- 2.7. Once the Contract has come into force pursuant to Condition 2.3, You may not cancel it without reimbursing Us for all Losses We may have suffered or incurred, or are likely to suffer or incur, as a result of any such cancellation. Any cancellation of the Contract

must be in Writing, and is subject to Our agreeing to accept such cancellation, in Our absolute discretion, and to payment of Our Losses in full on demand. You must have paid the balance of all Rental Payments due no later than six weeks before the commencement of the Hire Period. Should You seek to cancel the Contract after that period has elapsed (i.e. within six weeks of the Hire Period commencing), then those Rental Payments made will also be non-refundable, as they represent a genuine pre-estimate of the financial difficulty We would experience in not having the expected income for the Hire Period.

- 2.8.1. all costs and expenses incurred by Us up to the date of Our acceptance of Your notice of cancellation; and

- 2.9. We acknowledge Our duty to mitigate any Losses caused by Your cancellation of the Contract, and We shall give credit for the payment of the Deposit (which is non-refundable in any event) and any Rental Payments made as at such date in any calculation of Our Losses, but You in turn acknowledge that it is not always possible to hire the Equipment at the same rates and on the same dates as were envisaged in the Contract, and accordingly it is only fair and reasonable that We are not financially prejudiced by You seeking to cancel the Contract.

3. CONTRACT PERIOD

- 3.1. The Contract comes into force as set out in Condition 2.3, and shall continue until either:-
- 3.1.1. We remove the Equipment at the end of the Hire Period; or
 - 3.1.2. We accept Your cancellation of the Contract pursuant to Condition 2.7; or

- 4.1. You shall make all Rental Payment to Us in Sterling to Our account as notified to You in the Quote.
- 4.2. The Deposit shall be paid on Your signing the Quote, and receipt of the Deposit is a condition of Our accepting Your offer to hire the Equipment pursuant to Condition 2.1. The Deposit is to secure Your booking of the Equipment for the Hire Period, and is non-refundable.

- 4.3. If you require Us to provide a Bar, then there will be no charge for the Bar provided that the Minimum Spend has been reached, or exceeded. In the event that the Minimum Spend has not been matched or exceeded, You will be charged with the difference between the Minimum Spend and the actual amount taken by the Bar at the Event (“the Shortfall Charge”). We will notify You of and invoice You with the Shortfall Charge as soon as is reasonably possible following the Event, and, in the absence of fraud or manifest error, Our calculation of the Shortfall Charge shall be final and binding on You and you agree to pay such Shortfall Charge within seven Business Days of receipt of notification by Us.
- 4.4. Interest on overdue amounts shall accrue from the date when payment became due until the date of payment in full at the rate of 8% (calculated and compounded daily) and shall accrue both before and after judgment. You agree to reimburse Us all costs and expenses (including legal costs on a full indemnity basis) incurred in the collection of any overdue amount. Any delay, waiver or failure by Us to enforce the provisions of this Condition in relation to a particular overdue amount shall not be taken as a waiver by Us in respect of other overdue amounts, and We specifically reserve the right to enforce the provisions of this Condition in relation to any overdue amount, irrespective of previous dealings. In addition to charging interest, and without prejudice to any other right or remedy available to Us, We shall be entitled to immediately cancel or suspend the Contract so far as any Equipment or Services remain to be delivered or performed, by giving written notice to You to that effect.
- 4.5. No right of set off shall exist in respect of any claim by You against Us unless and until such claim is accepted by Us in Writing (including the amount of any such claim that We accept), and You are not entitled to withhold all or any part of any sum which has become due to Us under the Contract.
